Please note that the menu is always changing dependent on seasonality and availability, as a result, the above menu is subject to change.

Drinks

There are two options for selecting your drinks:

1. 10 William St Drinks Package – together with our wine team, plan a customised, concise selection of wines and other drinks available to all guests on the evening. For example, one sparkling wine, one white wine, one rose, one light red and one heavy red. This selection can be tailored to your taste, preferences and budget.
2. Order on the night – you and your guests are welcome to order from our comprehensive drinks list directly with our wait staff on the night.

Cost

All dinner bookings require a minimum spend of \$3,500. Food is charged at \$75 per head and drinks are charged on consumption. If the total spend does not reach the minimum required (\$3,500) the remainder will be charged as a room hire fee.

All group bookings are subject to a 10% service surcharge on the entire bill.

A deposit of \$500 is requested to lock in the booking which will be deducted from the total bill on the night.

We look forward to accommodating you and your group for your next event.
