Wine at 10 William Street

'Free Wine!' - A Natural Wine Bar

Free wine from what is expected, from what is fashionable, from big business, from what has been & from what is old-hat.

Our collection of wine aims to be great. Great wines to drink, great to talk about, important expressions of where they are made, what they are made of and who made them. Our friends: some new, some old.

Some of the wines represented on this list are old friends, they are wines we will continue to love as we watch their evolution.

Some of the wines on our list our new friends, slightly edgy & off-piste, wines that propel us into the future.

There is something interesting to say about every wine on this list & in turn, each wine has something interesting to say back.

Salute

## MANON FARM

Perched 600m above sea level on the Forest Range Ridge of the Adelaide Hills with views all the way down to the Indian Ocean is Manon Farm. Here, Tim Webber and Monique Millton farm their vines Biodynamically and without any irrigation.

Only six of the farm's ten hectares are planted with vineyards, the rest is left to heritage orchards, vegetable gardens, livestock, native forest and plenty of kangaroos.

These deeply soulful and thoughtful wines vibrate with the energy of the site and that of the people who make them.

We are thrilled to offer a selection of current as well as back vintage wines that Tim and Monique were kind enough to pull out of their cellar for us. Please see below.
